

FLOWLINE

TREEWEAR SET

THE PERFECT WEBBING FOR DISCOVERING 1-INCH SLACKLINING (LONGLINING) NOW WITH TREEWEAR!

Thanks to its low stretch, the FLOWLINE is specifically designed to allow an easy setup with little tension at low heights. This makes the Flowline an ideal introductory Slackline for beginners of longlining all for an unbeatably low entry price. With its two ratchets, including spacers, getting the desired tension for your set-up is a piece of cake! In addition, the two color sided webbing helps to avoid twists in the setup.
